

Tipp City Public Library Fund

A gift to this fund is a gift that grows

An endowment fund was established in 2009 with the Troy Foundation to ensure the library's long-term financial stability. The Tipp City Public Library Fund provides funding for the on-going services, including but not limited to, the purchase of books, magazines and collections, the purchase of equipment and/or capital projects for the library.

Your charitable contribution supports the love of learning and the search for information that is at the heart of the library's mission. Every gift -- regardless of amount -- is tax deductible and helps the library to provide the strongest resource possible for the community.
